

# MAGISTIC TWO

Boasting three levels and extensive outdoor decks, Magistic Two offers the largest open fore deck on Sydney Harbour and includes staging, state-of-the-art audio and lighting systems. The innovative design has eliminated the need for structural posts throughout the dining area providing maximum use of space and ensuring great views from any position.

The vessel is available for private charter for evenings and during the day provides an innovative café style dining experience with a premium lunch option. The service style is uniquely Australian with a fresh, casual approach rather than the traditional harbour cruise experience.
